

Man Group plc (“the Company”)

Schedule of matters reserved for Board decision (July 2024)

The Board delegates all decision making on and management of the business to the Chief Executive Officer with the exception of the actions and decisions set out below which are reserved for the Board:

Business purpose, strategy, and oversight

1. Determination of the business purpose, values and strategy.
2. Oversight and scrutiny of business, management and individual director performance against agreed objectives.
3. Assessing and monitoring of the Company’s culture and the alignment of policies, practices and behaviours with its purpose and values.

Stakeholders

4. Ensuring effective engagement with the Company’s shareholders and other stakeholders and taking account of their views in Board discussions and decision making.
5. Determining the mechanisms used by the Board to understand the views of the workforce.
6. Reviewing, via reporting from the Audit and Risk Committee, the mechanisms that are in place for the workforce to raise concerns in confidence, the reports arising from the operation of those mechanisms and ensuring that arrangements are in place for the proportionate and independent investigation of any such concerns and for any follow up actions.

Acquisitions and disposals

7. Approval of the acquisition by any Man Group entity of business assets or equity or debt capital in a third party where the Total Financial Commitment¹ exceeds \$25m. This does not include any seeding investment in funds managed by Man Group entities or third parties.
8. Approval of the closure of a business or the disposal by any Man Group entity of business assets or equity or debt capital in a third party where the Total Financial Commitment¹ or net asset value exceeds \$10m or where the disposal is material to Man Group for any other reason. This does not include any closure of funds managed by Man Group entities or third parties in which Man Group has seeding investment.
9. Approval of any proposal (whether by equity, debt or asset acquisition or otherwise) materially to extend into new geographic or business areas which extend beyond the Company’s current business mandate.

Capital structure and corporate status

10. Approval of the issue, exercise, repurchase, repayment, retirement or cancellation of any equity or debt security or instrument of the Company, or of any other change in the Company’s capital structure, subject to the Company’s Articles of Association, UK and Jersey law provisions and the FCA’s listing regime. This excludes the issue of new shares or the transfer and re-issue of shares from the Company’s treasury share account in order to satisfy the exercise of options under the Company’s Sharesave scheme, the delivery of share awards

¹ Total Financial Commitment is management’s estimate of the net present value of any assets or liabilities transferred in relation to a project. A project would typically be an acquisition, a disposal or any material initiative regardless of accounting treatment (for example whether capitalised or expensed). Projects should not be artificially subdivided when testing against the approval thresholds. The Total Financial Commitment relates only to amounts not previously approved by the Board for example through the annual budget and for the avoidance of doubt any seed investments are excluded.
